David Levi, President and CEO, and the GrowthWorks Senior Management Team

A principled approach to adding value.

Over the last 13 years[†], we've built GrowthWorks into one of Canada's leading venture capital management companies. We've done that by managing funds that rigorously follow core principles: structure strategic investments in growth-oriented venture companies, value portfolio assets conservatively, build vital industry connections and minimize risk through diversification. It's a simple formula that delivers powerful results.

Regional know-how. National reach.

At GrowthWorks, we offer regionally based LSIFs right across Canada. These GrowthWorks managed funds include the Working Opportunity Fund, GrowthWorks Canadian Fund, GrowthWorks Commercialization Fund, and GrowthWorks Atlantic Venture Fund.

We manage funds with a total of over \$800 million in assets, with a primary focus on Canada's most promising sectors: information technology, life sciences and advanced manufacturing.

Partners in performance.

We have specialized teams in each of our core sectors to identify and structure investments in potential winners. These skilled teams also help create success by helping the companies that GrowthWorks managed funds invest in to grow with strategic management support and advice. This way, the companies get guidance from experienced leaders. In turn, the funds' investors know that these companies receive direction to help them thrive.

Commissions, trailing commissions, management fees and expenses all may be associated with investments in labour-sponsored investment funds (LSIFs). Read the prospectus of the appropriate GrowthWorks managed fund before investing. LSIFs are not guaranteed, their values change frequently and past performance may not be repeated. *GrowthWorks means affiliates of GrowthWorks Ltd. and includes GrowthWorks Capital Ltd., manager of the Working Opportunity Fund (EVCC) Ltd., GrowthWorks WV Management Ltd., manager of GrowthWorks Canadian Fund Ltd., GrowthWorks Opportunity Fund Ltd. and GrowthWorks Commercialization Fund Ltd., and GrowthWorks Atlantic Ltd., manager of GrowthWorks Atlantic Venture Fund Ltd. †GrowthWorks Capital Ltd. has managed the Working Opportunity Fund (WOF) since 1999.
