Manitoba Federation of Labour  
Health & Safety Committee

SAFETY FACTS

## EVERY EMPLOYER SHALL PROVIDE TRAINING TO ALL WORKERS

DID YOU KNOW YOU MUST BE TRAINED:

- When beginning work or, when duties change.
- You must be trained about:
  - ⇒ Fire and Emergency
  - ⇒ Location of First Aid
  - ⇒ Identification of Prohibited Areas
  - ⇒ Precautions regarding physical, chemical or biological hazards
  - ⇒ Any procedures, plans, policies, and programs.
  - ⇒ Any hazards to ensure health and safety while at work.
- You are not permitted to work unless you are
  - ⇒ Trained and experienced.
  - ⇒ Under close and competent supervision.

Note: Check specific sections (eg. confined spaces).
